Breaking the Silence is an organization of veteran Israeli soldiers who served in the Occupied Palestinian Territories. The soldiers were witness to, and participated in, military actions which changed them immensely. Dana Golan, veteran IDF lieutenant, is the executive director of *Breaking the Silence*. She will present a talk based on interviews with female IDF soldiers about their experiences in the Occupied Territories. Join us for this unique opportunity to hear the perspective of female IDF soldiers.

Breaking the Silence believes that "every Israeli citizen must know what is being done in his/her name in the Occupied Territories." <http://www.shovrimstika.org/>
